RICHFIELD Advocate—An intense
feeling was worked up in Provo over
the voting contest for the Goddess of
Liberty. The Enquirer attacked the
character of one of the aspirants and
Editor Clowe was assaulted on the
street by one of her friends, and
Manager Graham was pummeled by
S. S. Jones. The fellow who struck
Mr. Clowe was arrested and fined \$20,
which was quickly raised by those who
were in sympathy with the idea that
Clowe deserved a thrashing. The two
Enquirer men are now compelled to
carry pistols in their pockets to
protect themselves against those who
allege the Enquirer has libeled them,
but still that paper is as aggressive as
ever.

The Vernal Express is good enough
to say of THE DISPATCH that it is "a
live newspaper and a rustler for news."
While doing so it claims that it, not
THE DISPATCH, was the first paper in the
territory to give the news of the
great gold strike made in the Utah
country by Messrs. Halliday and
Hatch. This paper honestly believed
it was stating that which is true when
it said it was the first in the field with
the news, but if the Express is first,
why the Express is entitled to due
credit, which THE DISPATCH always and
freely gives. However, this paper was
the first to inform the public just how
rich the strike is, for on June 1st it
published the returns of the first as-
say. Before 3 o'clock of that day
Messrs. Halliday and Hatch them-
selves, while they believed they had
something good, did not know that
their rock even contained gold, and for
an hour or so that day gentlemen
seated on the banks of the ditch run-
ning in front of THE DISPATCH office,
tried to pan it out of the rock and
failed. They were rather discouraged,
and when Assayer Kroupa announced
the result of his test they were not pre-
pared to believe it. But when the an-
nouncement they would not say pos-
itively that they had gold. THE DIS-
PATCH was first to give this announce-
ment, so it would seem that it was not
very far wrong when it claimed to be
the first paper in the territory to give
the news of the find. One thing cer-
tain it didn't aim to do the Express an
injustice. It never will aim to do this.
The Express is a very able little pa-
per, a great credit to Vernal, and has
the best wishes of THE DISPATCH al-
ways.

wires bring news that Kelly of "weaker
fame is still at it. The telegram is from
Crawfordsville, Indiana, and says:
"The police went out on Crawfords-
ville last night to arrest the common-
wealth army of General Kelly, for
vagrancy. The army, which has been
reduced to fifty by desertion, took to
the woods and a number have strag-
gled through the city dodging the

Weak, Tired, Nervous

Pains in the Stomach—Nine Years of Suffering

How It All Ended.

"I. I. Hood & Co., Lowell, Mass.:
"For years I have been in my stomach
besides nervousness, weak spells and constant
tired feeling. For the first five years I did not
doctor much but gradually growing worse, came
to this state for the benefit of my health. I was
treated by several good physicians but contin-
ued to grow worse. For the last year I have
been confined to my bed nearly all the time. I
became so weak I could stand but a few min-
utes at a time. I could eat but a little and I
felt old in weight from
130 Pounds to 80.
About four months ago I commenced taking
Hood's Sarsaparilla, and from that time I have
steadily improved in health and gained in
weight."

HOOD'S Sarsaparilla CURES

strength. I also had a hunch on my neck as
big as a hen's egg which bothered me to breathe.
Since taking Hood's Sarsaparilla that has dis-
appeared. During the past year my husband's
body became bloated and he was unable to
work. He took two bottles of Hood's Sarsapa-
rilla and is feeling as well as ever." Mrs.
ANGIE THOMAS, Sodaville, Oregon.
